Teachers and Pupils. There were two changes in the teaching staff, both in the Village School. As principal to succeed Mrs. Rachel Wright, the Board elected Miss Carole Lavoie of Orford, a graduate of Plymouth Teachers' College with several years experience. For the middle grades Miss Mary Sawyer of North Haverhill, also a graduate of Plymouth Teachers' College with several years experience was elected. Miss. Gertrude Gilman was transferred to the primary room replacing Miss Knapton. We were very fortunate in view of the scarcity of trained teachers to secure teachers with adequate training and successful experience.

Buildings and Grounds. During the summer months the buildings were cleaned and repaired. The buildings considering their age, are in a good state of repairs. It would certainly be a great improvement if the buildings were equipped with screens. In June and in the early fall months, the flies are very troublesome and annoying. Before another September it would be wise to consider the advisability of closing the Glenciff School and transporting the Glenciff pupils to the Village. The Village School is not overcrowded, and from the educational point of view there would be considerable advantage to the pupils. There would be some saving of expense and one teacher would be released to help solve the teacher shortage.

We are fortunate indeed to have for another year the services of Mrs. Robb as Supervisor of Music. The advantages of this work now are apparent to all.

For the fine support I have received from the School Board and for the loyalty and cooperation accorded me by the teachers and pupils and citizens of Warren, I am indeed grateful.

Respectfully submitted,
WESLEY H. DOUGLASS,
Superintendent of Schools

REPORT OF THE

WHITE MOUNTAINS REGION ASSOCIATION

To the Voters of the Region Towns;

We hereby submit our annual report for the year 1945-46 showing what is being accomplished through the prestige gained by 46 towns working together in the interest of regional agriculture, industry and recreation.

Agriculture: Sponsoring competition among 50 Regional 4-H clubs to aid future agriculture by offering prizes to clubs and individual members for outstanding accomplishments; publishing expert advice from the Colebrook Agricultural Experiment Station on produce raising for profit; assisting cooperative efforts for raising, grading and marketing farm products.

Industry: Finding and following up new business possibilities and listing available sites, in cooperation with the State Industrial Division; broadcasting information of research aid and results of experiments in wood waste use offering facilities of State Industrial Division and University Research Division to towns and individuals.

Recreation: Assisting towns, the State and U. S. Forest Service in plans to develop suitable recreation areas in the region: surveying and making known possibilities for improving facilities to increase regional income from commercial recreation.

Aviation: Actively presenting region needs for airports and air service to state and federal agencies, to insure favorable action when federal funds are available.

Real Estate: Sponsoring real estate organization to improve general conditions, standardize fees and services; distributing lists of prospects for properties. (\$75,000 of sales reported last year.)

Publicity: Presenting advantages of towns and region by advertising, news and printed material—20,000 winter folders and newspaper advertising; 20,000 fishing-hunting folders; attendance of well known guide and secretary at sportsmen's shows; 25,000 pictorial booklets and 100,000 low cost folders planned for spring.

Trade Schools: Developing possibilities for state aid trade schools and vocational courses in region schools for presentation to the state board of education.

Transportation: Securing improved rail and bus service for sections needing it; keeping region requirements before transportation agencies.

General: Assisting on all types of town problems; representing town interests before state and other agencies; maintaining information center for use of citizens; furnishing region data for state departments; answering thousands of inquiries on all subjects.

Town appropriations make these services possible.

WHITE MOUNTAINS REGION ASSOCIATION.
